

Directions to Calpe From Valencia

Drive out of the airport car park turning left (keep left) up the ramp.

Join the main road going straight on past the next two junctions. Take the next exit towards Alicante.

After 15 mins (approx. 25km) the road splits. Keep left going onto the **E15** (do not take the right lane onto A7).

Continue straight on the motorway (E15). After approx. 5 minutes you will come to the tolls. No money is required here. Take a ticket which you will pay on your exit (cost is 7.45 euros which can be paid by card or cash when you leave the motorway).

Continue on the E15 for approx. 45-60 mins. Eventually you will pass petrol service stations which are only 8km before the exit you will require.

Leave the motorway at **junction 63** which is signposted Teulada / Bennisà / Calpe taking the **N332 towards Bennisà**. Go straight over the next two roundabouts and continue to follow N332.

After 10-15 mins you will see a junction for Calpe (which is 500 metres past a green BP petrol station). Take this right turn sign posted Calpe.

Driving into Calpe, go straight over traffic lights and straight over a roundabout with a feature fountain in the middle. You will go past a Renault car dealers on your right with a Peugeot dealer opposite.

1km further there are right turns on a short road joining a further road which runs parallel with the main road. This street is **Avda de Europa**. The apartment block is called **Edif Hernando II**. It should be instantly recognizable from the photo on the website. There are two blocks which look similar but the flat is in the block on the right side (a floor taller than the opposite building).

If you do miss one of the turns, continue on to the next , turn right and then first right again and this will bring you back onto **Avda de Europa**.
